Proper Use and Application of ACI Repair Code 562-19

FREE WEBINAR - THURSDAY, OCTOBER 28, 2021 - 12:00 P.M.

Moderator:
Jacob Brennan
Sika Corporation

Speaker:
Matt Senecal
Engineering Director
ACI

As more existing structures within the greater LA area begin to require repair and assessment, the topic of proper repair assessment and application has become increasingly relevant.

An ACI National representative will present a virtual webinar on the following topics:

- Why a repair code is needed
- The philosophy behind ACI 562
- How the code promotes consistency in repair design
- Recognizing repair construction challenges
- Significance of a quality assurance program for successful repairs
- How the code can save the owner money
