Wednesday: 5:30pm-9:30pm

Saturday: 7:00am To 1:00pm

CLASS / EXAM LOCATION

Koury Engineering
14280 S. Euclid Avenue
Chino, CA 91710

This class is recommended for, but not limited to renewing applicants. The session contains one lecture review night and the practical and written tests only.

There will be no hands-on practice session.

A **Concrete Field Testing Technician—Grade I** is an individual who has demonstrated the knowledge and ability to properly perform and record the results of seven basic field tests on freshly mixed concrete.

This program has been developed for certifying individuals who will then be competent to conduct field tests on fresh concrete. The program covers details of ASTM procedures and consists of a written and performance examination. The performance examination requires the candidate to demonstrate his/her ability to correctly perform and record the results of field tests on fresh concrete.
